FABRIC LED LIGHT BOX

LED LIGHT BOXES ▲

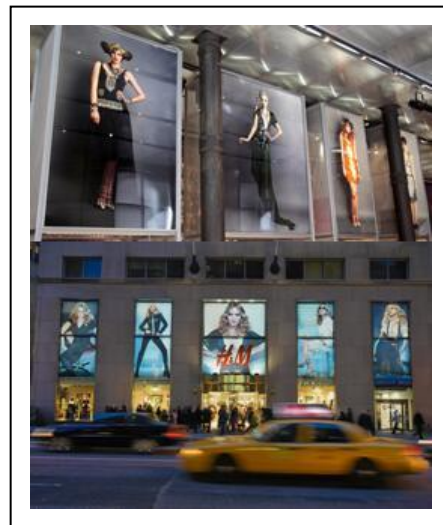

Fabric LED Light Box
Super slim aluminum profile
Graphic easy to change, high brightness LED backlighting, easy install.

CPD Fabric LED light box combines bold design with flexibility and ease of use. We print your image using dye sublimation on fabric, so you see brilliant images with no shine or sheen. CPD Fabric frame is nearly invisible. Installation is quick, and graphics can be changed in minutes. To top it off, CPD Fabric is maintenance free with a long life span.
